1. Calculation system

According to the FCI rules the calculation system is same of others FCI events.

Speed, middle distance, long distance and all round categories:

Position in the result x 1000

Number of basketed pigeons (max. 5000)

Marathon category:

Position in the result x 1000

Number of basketed pigeons

The pigeon which has got the lowest points is the first for the general prize list.

The coefficient will be calculated to three digits after decimal point.

2. Participation

Each affiliated federation can participate.

Every affiliated federation can decide based on the requirements in which categories to participate. Each affiliated federation can participate in one or all of the categories.

One pigeon can only participate in one category.

The data must be entered directly by each federation no later than December 15, 2020.
